CONFIDENTIAL AND PROPRIETARY

## Michael Kelly - Founder, ONE08, Inc.

Michael is the Founder of ONE08 and visionary behind the mobile application that uses Quantum Code Technology™. Michael was an active Sydney, Australia Real Estate Buyers Agent, developer, investor and real estate coach, and is a best-selling author and consultant in the area of creating wealth, retirement and the luxury lifestyle.

Michael has been working with the inventors of QCT for the past 20 years. By Michael's vision coupled with his dedication, unwavering persistence and passion, they were able to develop and broadcast the 108 Quantum Code Energies via the Heart+ App. The Heart+ App makes it possible for every person to significantly lower their stress and improve heart health. The App has the ability to "open our hearts" in such a way that when over 1% of the population download and use the Heart+ App...Michael believes we can raise global consciousness, making the world a better place for his daughter Chloe, for us, our children and many generations to come. Michael also brought to the planet the H2Optimizer™ water vortexing devices...so we can all have clean, healthy and energized water. The devices include a bottle-top unit for individual use, under-sink, full home units and an agricultural version as well. There are programs underway to bring this water technology to the children in underdeveloped countries of the world.

## Bo Rinaldi - CEO, ONE08, Inc.

Bo co-founded and ran the largest software consulting company in Silicon Valley, from 1984-2000. Bo helped engineer a successful purchase of the company TTN, by Spherion in 2000. Known as the Jerry Maguire of Silicon Valley, his clients ranged from little known startups that grew into mega corporations, to Apple, Oracle and IBM. Many times working with other CEOs, Bo provided senior technical talent and project leadership to many engagements including architecture and build out for E\*Trade, Netflix, Drugstore.com, Match.com, GetSmart, Skymall, NetObjects and Ticketmaster. Bo provided the key technology teams for Microsoft XML, Adobe's Acrobat and Apple's Quicktime. Bo provided executive leadership and high performance teams for dozens of significant technology projects at Apple, including three for Steve Jobs personally.

As the CEO of his restaurants and consulting company, he and his partners have won many awards while setting new standards for business leadership in their markets. Bo has interests and investments in the technology, nutraceutical, organic food, wellness and natural healing industries. Bo has been featured in the New York Times, CNN, Fast Company, MSNBC,

Success Magazine and is also a best selling author and public speaker in the areas of new technology and innovation.

### Robert Williams - Co Inventor, ONE08, Inc.

Robert is considered one of the foremost experts in subtle energy engineering and technology. He lectures at leading universities, is a member of the International Society for the Study of Subtle Energies and Energy Medicine, as well as the International Association of New Sciences.

Robert is the inventor and developer of Sympathetic Resonance Technology (SRT), now known as Quantum Code Technology™ (QCT). Robert discovered the fundamental codes for these technologies in 1979 and has perfected them ever since with his research colleagues.

Robert is an inventor, musician and educator. In addition to teaching music at the university level, Robert recorded and performed with such artists as *The Beach Boys*, Paul Horn, and Charles Lloyd. He has taught music at the University level.

Throughout his life, he has devoted himself to the study of subtle energy physics and has worked with prominent scientists including Professor William Tiller at Stanford University, Professor Beverly Rubik from the University of California at Berkeley, Professor Rustum Roy at Penn State University, Department of Materials Sciences, and Professor Stuart Krassner, Department of Biology, at the University of California, Irvine.

His research was published in the *Journal of Alternative and Complementary Medicine* and the *Journal of Subtle Energies and Energy Medicine*. He has been a guest lecturer several times at the University of California at Irvine.

---

### Patricia Lee Leach - Co Inventor, ONE08, Inc.

Patti started out with a background as a Respiratory Therapist and Physician Assistant for ten years. She then became a Certified Gemologist which she continues to use in her current work. She was a Partner and Designer in a well known High End Residential Architectural and Interior Design Firm in Palm Desert, California for ten years. She became a partner with Robert O. Williams in 1991 to present. She participates in R&D, Design and Manufacturing. When she's not working you'll find her playing the piano, golfing or on the river fly fishing with her husband Ray.

## Dea Shandera-Hunter - Corporate Development, Public Relations

Dea is a highly regarded and seasoned media and entertainment creative executive having served tenures over twenty-five years at Paramount Pictures (Manager of Advertising and Promotion for the television group), The Walt Disney Company (Vice President of Creative Services for The Disney Channel) and MGM with her most recent post being Executive Vice President of Worldwide Marketing for MGM Television. She has a reputation for being an out-of-the-box thinker with a unique approach that has made a significant difference for the companies and individuals she has worked for.

Dea has produced many projects for The Disney Channel including the environmental special, *Earth Day at Walt Disney World*. She served as Executive Producer on the feature film *100 Years* that told the story of Elouise Cobell and the largest class action lawsuit against the US government. She was Co-Executive Producer on a documentary about an extraordinary young man with autism called *Bass Clef Bliss: Terrence's Path*. Dea also produced a special for PBS called *SS United States: Lady in Waiting*.

During the last sixteen years she has consulted in every area of the communications and entertainment businesses from publicity to production through distribution for books, products, films and television. Some of her clients have included Waterside Productions, Sony Pictures Home Entertainment, Hansa Productions, Gener8Xion Entertainment, MGM, Trifecta Entertainment and Media, Rocky Mountain Pictures, Regent Releasing, Drama House Productions, Off the Pier Productions, Universal Music, Abrams Books, One08 and authors James Redfield, Neale Donald Walsch, Dannion Brinkley, William Gladstone, Ervin Laszlo, Michael Beckwith, Lou Gossett, Jr., Patricia Cori, Arjuna Ardagh, Temple Hayes, Dr. Sylva Dvorak, Chris and Janet Attwood, Drs. Ron and Mary Hulnick, Will Arntz, Michel Pascal, Pascale Naessens, Robert Clancy, William Schneider, Peter Anthony, Susan Liberty Hall, Jesse Dylan, Dr. Jamie Turndorf, Kristen Moeller, Annie Burnside, Dr. Tom O'Bryan, Pouline Middleton, Nancy Guettier, Lyric Benson, Debra Marting, Sheri Getten, and Judith Diana Winston.

## Dr. Daniel B. Taylor. OMD - Medical Advisor

Daniel is a Doctor of Oriental medicine in private practice in Melbourne Australia. He is a leading pioneer in natural medicine closely involved in the development of technologies that have assisted medical practitioners worldwide for the past forty years.

Daniel's extensive training in measurements of the human bio field, chi flow in the human body as well as Heart Rate Variability (HRV) testing of the autonomic parasympathetic/sympathetic nervous system has led him to conclude that One08 technology is unique and cutting edge in its ability to increase and enhance overall strength, vitality, balance and health in animals, plants and humans.

Daniel is a dedicated physician with a global focus on optimal health for all of humanity, physically, energetically, emotionally, mentally and spiritually.

Daniel has been involved with One08 technology for sixteen years working closely with Michael Kelly testing the effects of the technology on a vast array of physical, therapeutic and digital products.

*“This technology is profound in its ability to shift a human being's health to a balanced and empowered homeostasis. In all of my years of testing health products I am amazed by its positive effects and lasting results. Since being asked to be involved with the One08 technology sixteen years ago and watching its growth I knew it would have a profoundly positive impact on global mass consciousness and improving the health of humanity.”*
